

INDIAN OCEAN RESOURCES AND TECHNOLOGY

"Who is your friend?" asked Amos. Though he had not heard the beginning of the story, the whole tavern seemed far too quiet for a Saturday night. He moved out into the clearing, more boldly now. Then suddenly he stopped. He saw a strange. I See You. The editor hereby makes grateful acknowledgment to the following authors and authors? representatives for giving. "Amanda," I called. . . . criticism written without personal feeling is not worth reading. It is the capacity for making good or bad art a personal matter that makes a man [sic] a critic. . . . when people do less than their best, and do that less at once badly and self-complacently, I hate them, loathe them, detest them, long to tear them limb from limb and strew them in gobbets about the stage or platform. . . . In the same way really fine artists inspire me with the warmest possible regard. . . . When my critical mood is at its height personal feeling is not the word; it is. The package comes later, along with a stiff legal letter from a firm of attorneys. The substance of the message is this: "Jain Snow wished you to have possession of this. She informed you prior to her demise of her desires; please carry them out accordingly." The packet contains a chrome cylinder with a screw cap. The cylinder contains ashes; ashes and a few bone fragments. I check. Jain's ashes, unclaimed by father, friends, or employer. "I forget where I read about it," the usher said. He wasn't ill, just beginning to feel like the rest of us mortals. And I was feeling my resolve begin to crumble. It was hard to believe this beguiling kid could possibly be involved in a string of bloody deaths. Maybe it was just a series of unbelievable coincidences. Yeah, "un-. Smith got his consignment of Ozos early in the week, took one home and left it to his store manager to put a price on the rest He did not bother to use the production model but began at once to build another prototype. It had controls calibrated to one-hundredth of a second and one millimeter, and a timer that would allow him to stop a scene, or advance or regress it at any desired rate. He ordered some clockwork from an astronomical supply house. She beamed. "Isn't it wonderful? I started three days ago. It's like a dream come true." There are more that I haven't mentioned; two films of She, two of The Lost World, innumerable versions of Midsummer Nighfs Dream. And yet more to come: As the science fiction and fantasy films prove to be moneymakers, 5 properties will be dusted off, "modernized," and reproduced. I can see the piece I'll do for The Best from Fantasy and Science Fiction: 50th Series, sorting out several versions of The Thing, grumbling about the musical remake of 2007: A Space Odyssey, and commenting on the new production of Star Wars, featuring Mark Hamill as Obi-wan Kenobi.
