He looked back at me and started to say something, then, with a small defiance, shrugged his eyebrows. "Sure, but there's not much I can tell you." Now it shows exploitation and double-feature horror films. Only Grauman's Chinese and the once began pacing up and down. He didn't say anything? just kept looking up at that half-finished seventh. On Christmas Eve, feeling sad and sentimental, he got out the old cassettes he and Debra had made on their honeymoon. He played them on the TV, one after the other, all through the night, waring mellow and mellow and wishing she were here. Then, hi February, when the world had once again refused to end, she did come home, and for several days it was just as good as anything on the cassettes. They even, for a wonder, talked to each other. He told her about his various encounters in pursuit of his endorsements, and she told him about the Grand Canyon, which had taken over from the end of the world as her highest mythic priority. She loved the Grand Canyon with a surpassing love and wanted Barry to leave his job and go with her to live right beside it Impossible, he declared. He'd worked eight years at Citibank and accrued important benefits. He accused her of concealing something. Was there some reason beyond the Grand Canyon for her wanting to move to Arizona? She insisted it was strictly the Grand Canyon, that from the first moment she'd seen it she'd forgotten all about Armageddon, the Number of the Beast, and -all the other accoutennents of the Apocalypse. She couldn't explain: he would have to see it himself. Man has reached out to settle thousands of planets scattered across the galaxy. Then, suddenly, the galaxy is invaded by a horde of alien beings, the Zorphs. They enslave all planets in their path. Those that resist are destroyed without mercy. You, as Captain of the Avenger, the great Terran warship, will range interstellar space, seeking out and destroying the forces of Zorph.. They triggered them to be activated only when they encountered certain different conditions. Maybe they knew exactly what it would be; maybe they only provided for a likely range of possibilities. Song thinks they've visited us, back in the Stone Age. In some ways it's easier to believe than the alternative.
