And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?".He had turned up on Dulse's doorstep a few years ago. Well, no, twenty years ago it must be, or twenty-five. A while ago now. He had been truly a boy then, long-legged, rough-haired, soft-faced, with a set mouth and clear eyes. "What do you want?" the wizard had asked, knowing what he wanted, what they all wanted, and keeping his eyes from those clear eyes. He was a good teacher, the best on Gont, he knew that. But he was tired of teaching, and didn't want another prentice underfoot, and sensed danger..Wide steps ran down, silvery like a mute waterfall. The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles.. When she laughed, her thin face got bright, her thin mouth got wide, and her eyes disappeared.. The tune ended. "Darkrose," he said, behind her in the dark. She turned her head and looked at him.
